

Madanbhau Patil College of Nursing, Kavalapur

REPORT ON – Breastfeeding Week

VENUE – PHC Kavalapur

DATE & TIME – 7th August 2023

GROUP – II semester B.Sc. Nursing Students

Breastfeeding is a crucial aspect of infant nutrition and maternal health, It is an annual event that aims to raise awareness about the importance of breastfeeding and promote its benefits for both infants and mothers.

Madanbhau Patil College of Nursing, Kavalapur celebrated breastfeeding week at Primary health center Kavalapur, second semester B.Sc. nursing students participated enthusiastically by preparing posters on awareness and benefits of breastfeeding.

The students also performed the role play on myths regarding breastfeeding in the families, and given the health talk to the clients who are visited at PHC Kavalapur.

The event ends with appreciation by Dr. Sanjana (Medical Officer) for the efforts of the students.
