The “Harit Maharashtra, Samruddha Maharashtra” program 2025, a statewide tree plantation initiative was organized. The Government of Maharashtra has set a target of planting 10 crore trees across the state. In compliance with this initiative, Madanbhou Patil College of Nursing, Kavalapur actively participated in the program to contribute towards environmental conservation and sustainable development

The program began with an inaugural session where the Principal addressed the gathering and emphasized the importance of tree plantation. Following this, faculty members and students participated in planting saplings in the designated area.

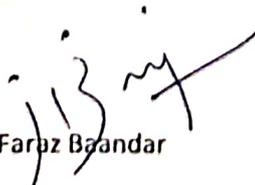

Students gained awareness of their responsibility towards environmental conservation. The program fostered team spirit, discipline, and eco-friendly values among students.

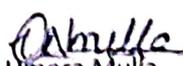

The tree plantation program under "Harit Maharashtra, Samruddha Maharashtra – 2025" was successfully conducted. The active participation of students, staff, and management contributed to the success of the initiative. The college reaffirms its commitment to continue such environmental activities in the future, thereby supporting the mission of a greener and prosperous Maharashtra.
